Committee Purpose - Area Plan Strategies related to Housing and Transportation

- Advocate for affordable housing for older adults and connecting housing and transportation in developing long-range planning around housing.
- Maintain VCAAA webpage related to transportation options
- Continue attendance on the Citizens Transportation Advisory Committee to advocate for the transportation needs of older adults and persons with disabilities.
- Explore the use of alternate transportation modes such as driverless cars, and Uber advance at senior centers
- Advocate for the development of strategies and collaborations that will ensure services and safe living options for homeless seniors in Ventura County, including veterans, and adults with disabilities.
- Advocate for and develop strategies to address housing and transportation issues that impact older adults and persons with disabilities and examine other factors that contribute creating livable communities.
- Encourage the creation of a multi-generational housing incorporating universal design.
- Collaborate with community-based organizations, including the Ventura County Hospital to Home Alliance, to advocate for mental health and substance abuse programs that serve older adults (aged 60+); and for staff training in geriatrics.
