**NOTICE OF PUBLIC HEARING – March 25, 2022
STRATEGIC PLAN UPDATE FOR FY 2022-2023**

The Ventura County Area Agency on Aging (VCAAA) will hold a public hearing on March 25, 2022, at 10 am via zoom <https://us06web.zoom.us/j/88000031196> to receive public comments on the Strategic Plan Update for 2022-2023. The strategies and services have been developed to address some of the more critical needs of Ventura County residents aged 60 and older, adults with disabilities, and caregivers during and after Covid-19. The Strategic Plan will be available on the Area Agency on Aging's website, <http://vcaaa.org> on February 19, 2022. The provision of all programs and services is contingent upon the availability of federal and state funds. Persons requiring special assistance to participate in the hearing per the Americans with Disabilities Act are asked to notify Jannette Jauregui, Public Information Officer, via email at Jannette.Jauregui@ventura.org or by phone at (805) 477-7306, on or before 4:00 p.m. on March 23, to make reasonable accommodations. The public hearing will be held via zoom as the offices of the VCAAA are closed to the public at this time due to Covid-19. The public may also submit written comments via fax to (805) 477-7312, or via e-mail to Jannette.Jauregui@ventura.org. Written comments must be received by 10 am on March 25, 2022. The VCAAA and its Advisory Council shall review and consider input received at the public hearing, and may make changes accordingly in the final document. This notice is published in compliance with the CCR Title 22, Div. 1.8, §7308.
